

BLASTULAÇÃO

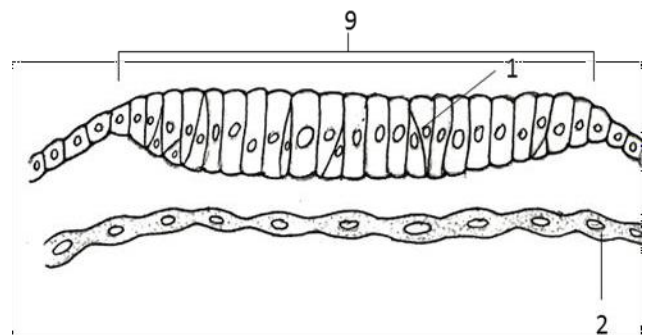

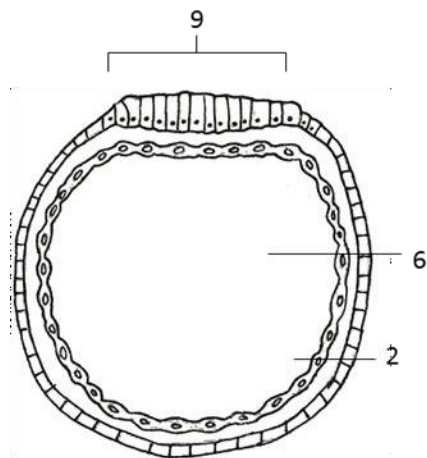

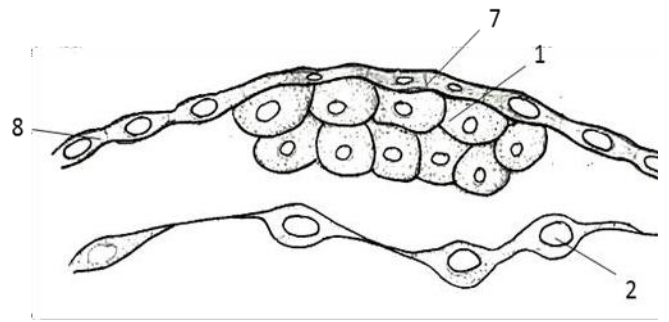

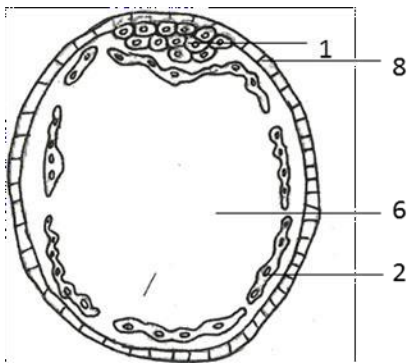

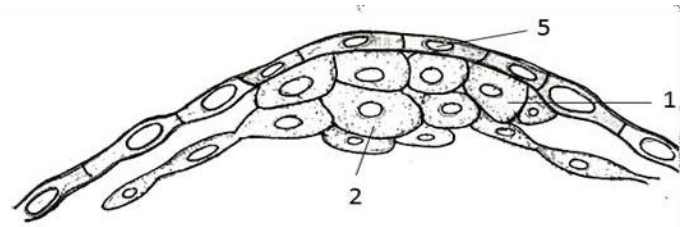

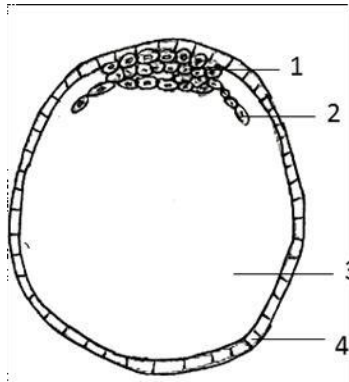

- 4. Zona Pelúcida
- 5. Trofoectoderma
- 6. Embrioblasto
- 7. Blastocelo

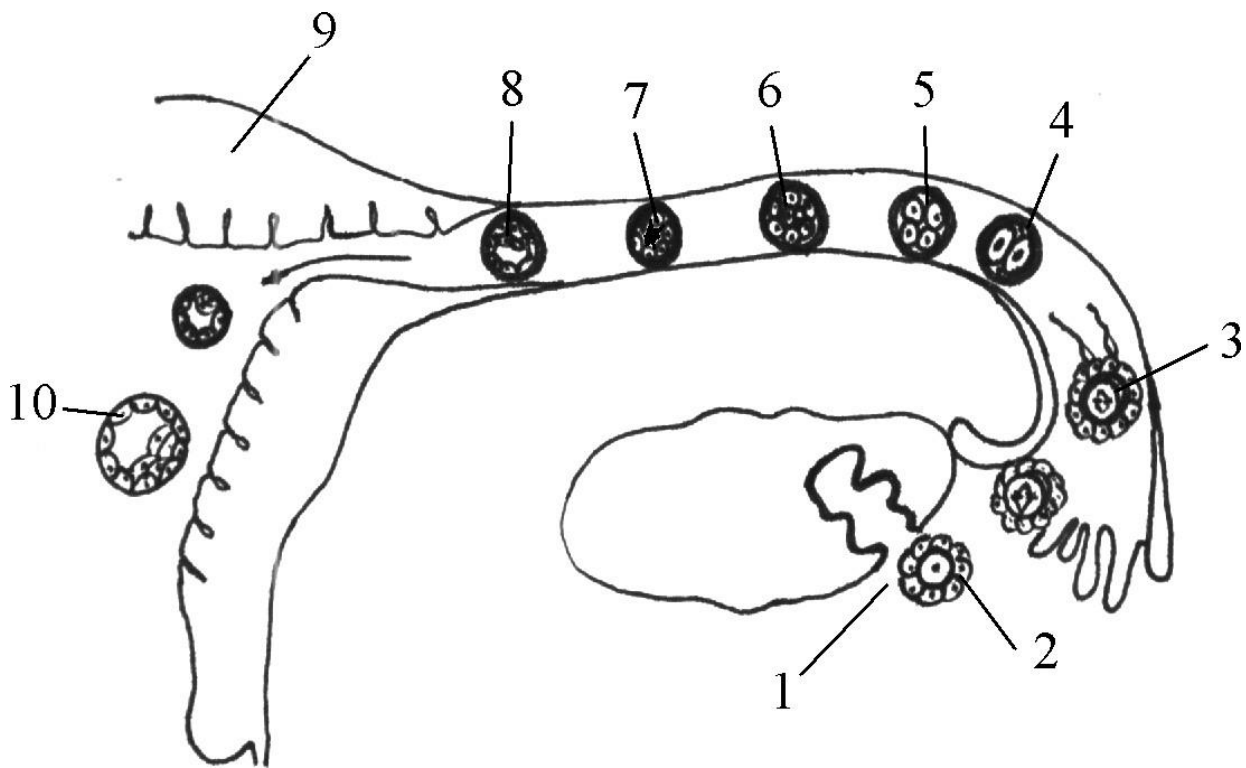

- 1. Trofoectoderma
- 2. Embrioblasto
- 3. Blastocelo
- 4. Epitélio Endometrial
- 5. Glândulas Endometriais
- 6. Artéria Espiralada

BLASTULAÇÃO

1. Epiblasto
2. Hipoblasto
3. Blastocelo
4. Trofoectoderma mural
5. Camada de Rauber
6. Saco Vitelino
7. Camada de Rauber degenerando
8. Trofoectoderma polar
9. Disco bilaminar

CLIVAGEM E BLASTULAÇÃO

1. Ovulação
2. Cumulus oophorus
3. Fecundação
4. Estágio de 2 Blastômeros
5. Estágio de 4 Blastômeros
6. Estágio de 8 Blastômeros
7. Estágio de 32 Blastômeros
8. Blastocisto
9. Útero
10. Blastocisto sem Zona Pelúcida
